FISCAL NOTE ANALYSIS

STATE OF ALASKA
2021 LEGISLATIVE SESSION**Analysis**

HB 184 amends AS 47.05 by adding a new section to codify the Alaska Tribal Child Welfare Compact into statute. The bill ensures State participation in the Compact in the administration of child welfare services by Tribes and Tribal Organizations.

The Alaska Tribal Child Welfare Compact (the Compact) is between certain Alaska Native Tribes and Tribal organizations (referred to as Co-Signers) and the State of Alaska. Currently, the State of Alaska and 18 Co-Signers participate in the Compact. Effective December 15, 2017, the Compact provides for the Department of Health and Social Services to enter into funding agreements with Co-Signers and aims to improve outcomes and strengthen child welfare services. The Compact encourages government-to-government collaboration and cooperation to promote the autonomy of Tribes in Alaska related to the delivery of child welfare services.

Since the Compact has been in effect, it has been funded at \$1,600.0 each fiscal year. As this bill only enshrines current activities in statute, there is no fiscal impact.
